Previously owned by Mr. Lee Biondi, the four-leaf lectionary was auctioned off by Heritage Auction House in March 2008. Each leaf was purchased by a separate buyer. Mr. Bill Eubanks, of Fort Worth, TX, purchased one of the leaves. The location of the other leaves is unknown.

The text is approximately 24.75 cm tall by 18 cm wide. Each page has two columns, and each column has approximately 20 lines. The lectionary hand is inelegant, with many corrections especially by a later corrector. Accents are added in red.
